

# TEAM SPIRIT Action Plan St. Elizabeth Singles

## 1. PROBLEM IDENTIFICATION (State problem briefly & clearly)

Our problem at St. Elizabeth highschool is that we have a lack of recreational activities for the highschool students. This results in underage drinking and reckless driving.

## 2. GOAL (What we hope to achieve)

Our goal is to create more recreational activities for the highschool students and raise awareness of underage drinking and reckless driving in the community.

## 3. OBJECTIVE (In order to work effectively toward reaching the goal, WHO will do WHAT to/for WHOM by WHEN & HOW will the results be measured?)

Team Spirit along with our S.A.D.D. group will plan a safety awareness day in the spring and have an assembly with a motivational speaker in the fall for our highschool students. To measure our results we will put out a frequent survey to the highschool students.

## 4. OBSTACLES (What might stand in the way of achieving the goal)

Funding  
Student and Parent Interest  
Administrative Support  
Suppliers

## 5. RESOURCES (What people, places, or things might help achieve the goal)

## 6. STRATEGIES (List the tasks that may be necessary to do in order to achieve the goal)
