## We need you to present!\*

During the 2008 Team Spirit Reunion, we are asking all Team Spirit Teams to share their successful programs. We know you've been successful; we've seen your action plans and heard from you throughout the year. Now it is time for you share your successes with other teams! Sharing your experiences and successful programs with other students from schools across Missouri will strengthen the outcomes of the Reunion. Everyone will walk away with new ideas and new ways to conduct traffic safety prevention programs in their own school and community.

Each presentation will be 20 minutes in length. Depending on the number of teams presenting, you may be asked to repeat your presentation in the afternoon session. Groups of participants will be split up in small groups of no more than 20-30 per session.

All you need to do is submit the information below. **The deadline for program submission is March 14.** Your advisor will promptly be notified if you are chosen to present. (Note: Please complete the information below as you would like it to appear in the conference program. Attach copies of handouts if you would like them printed and included with the conference materials.) **\* If selected to present, your team will receive a \$50 speaker stipend to be used on future Team Spirit projects!**
